

Guiding Parents to Services

- Do you think your child might have Autism or has recently been diagnosed?
- Is your child 5 years old or younger?
- Do you live in Mecklenburg County?

Do you need someone to talk to?

a partner in the
smart start network

Guiding Parents to Services (GPS)

We Can Help Start Your Journey Towards Obtaining:

- **An Understanding of Autism's Strengths and Challenges**
- **Skills to Facilitate Your Child's Development**
- **Working Knowledge of the Autism Service Delivery System**
- **Enrollment in Effective Early Intervention Programs**

Contact our GPS Autism Coordinator for a consultation, assistance finding resource information, and for referrals at (704) 943-9416 or GPS@smartstartofmeck.org.
